DETAILS: Labrador Retriever qualifiers will receive HLRC certificate and a rosette. Only qualifying Labradors will receive LRC certificate.
Other breeds can participate.

Land retrieval tests will be run first, followed by 2 water retrieval tests.

Dogs that do not pass the land retrieves will be permitted to run the water retrieves if time allows. If the number of entries and time allows, water retrieving tests may be run immediately following completion of land tests after a short 20 minute break.

Pigeons will be used for land retrieves and ducks for water retrieves.

- A land single retrieve of 50 yards or greater landing in light cover.
- Two back to back single retrieves into water to prove willingness to re-enter the water.
- The dog is not required to be steady or deliver to hand. The judge may designate an area for delivery.
- The dog should not be gun shy. No decoys.
- Ducks will be used for water retrieves. Pigeons will be used for land retrieves.
- No electronic collars may be used on the test grounds.
- Entered Labradors must be AKC registered.
- All Labradors qualifying for the LRC, Inc. Working Certificate will receive a qualifying ribbon and an application for an official LRC, Inc. Working Certificate.
- Any other breeds of dogs participating in the WC test will receive a qualifying ribbon and a signed HLRC qualifying certificate stating the dog qualified and passed the tests.
- No dress code is required for this test. But recommend long pants, appropriate shoes.
- Every attempt will be made to provide a running order for the dogs prior to the WC by an e-mail. If you have a preference of running early or late, we will try to accommodate – no guarantees.
